SUMMARY

Final-year B.Tech Computer Science student with hands-on experience in Full Stack Development, REST API development, and Python-based applications. Proficient in Python, Java, React.js, FastAPI, SQL, and Git, with a strong passion for building scalable software solutions and solving real-world problems.

TECHNICAL SKILLS

Programming Languages: Python, Java, C, JavaScript, SQL

Frameworks & Technologies: React.js, Node.js, Express.js, FastAPI, REST APIs

Database Technologies: MySQL, PostgreSQL, Firebase

Developer Tools: Visual Studio Code, Postman

Version Control: Git, GitHub

EXPERIENCE

Onepool Private Limited, Kochi *Full Stack Developer Intern* **2026**

- Developed responsive full-stack web applications using modern frontend and backend technologies.
- Built RESTful APIs, collaborated with databases, and contributed to testing and debugging.
- Used Git for version control and followed software development best practices.

PROJECTS

PyMonitor 🐍 *Python, FastAPI, SQLite, REST API, System Monitoring* **2026**

- Developed a Python-based system monitoring application to track running processes, application activity, and system logs in real time.
- Implemented process monitoring, application start/close event tracking, execution duration analysis, and historical log management.

MEMORA 📱 *React Native, FastAPI, Firebase, ESP32, GPS, REST API* **2025**

- Developed an IoT-based healthcare application integrating a wearable device and mobile app for Alzheimer's patient monitoring.
- Implemented GPS tracking, dynamic geo-fencing, medication reminders, and emergency alerts to improve patient safety.

MEDCARE+ 📱 *React Native, TypeScript, FastAPI, SQLite, REST API* **2024**

- Developed a medication safety application for identifying drug-drug, drug-disease, and food-drug interactions.
- Implemented age-based safety guidance, doctor verification, and preventive safety alerts to improve medication awareness.

EDUCATION

Bachelor of Technology in Computer Science and Engineering **2023 – Present**

Sahrdaya College of Engineering and Technology, Kodakara

CGPA: 7.8/10

CERTIFICATIONS

- AWS Cloud Practitioner Essentials
- Machine Learning Using Python
- Fundamentals of DevOps on AWS

ACHIEVEMENTS

- Winner, YIP 8.0 Kerala District Level Competition for the MEMORA smart IoT-based Alzheimer's patient safety monitoring system.

LANGUAGES

- English
- Malayalam
